SECTION 1. Tennessee Code Annotated, Title 55, Chapter 4, Part 1, is amended by adding the following as a new section:

(a) At the time of initial application for the registration of a motor vehicle under this part, or upon renewal, an owner or lessee of a motor vehicle who is deaf or hard of hearing may request that the department include such designation in the Tennessee Vehicle Title and Registration System (VTRS) database. The registrant's request must be accompanied by a physician's statement supporting the registrant's request for a deaf or hard of hearing designation. Upon receipt of such a request accompanied by a valid physician's statement, the department shall cause the registrant's deaf or hard of hearing status to be entered into the VTRS database, and ensure such designation is associated with the applicant's motor vehicle and registration.

(b) Information submitted to the department under this section shall be supplied to law enforcement to assist in identifying the operator of the vehicle as possibly being deaf or hard of hearing. Information collected pursuant to this section shall only be available to law enforcement for the purpose of ensuring safe and efficient interactions between law enforcement and persons who are deaf or hard of hearing, and shall not be used for any other purpose.
